Probe Pennsy Train Wreck That Killed 19 Persons

STEELTON, Pa. (AP) — The Pennsylvania Public Utility Commission today joined the Pennsylvania Railroad in the investigation of a derailment of a baseball special in which 19 persons were killed and 100 injured.

The Interstate Commerce Commission also was prepared to move into the probe. The ICC normally makes an investigation of all train wrecks.

James F. Newell, PRR vice president in charge of operations, said Sunday the derailment "was apparently the result of track being out of alignment, but a definite cause cannot be assigned until a thorough investigation has been completed."

DIRECTS REPAIRMEN

Newell's statement concerning the track alignment was based on first-hand reports given by Howard C. Kohout, the railroad's regional manager in Philadelphia. Kohout directed the salvage and repair crews that worked throughout Saturday night to repair the 1,500 feet of track.

With its main line back in service, the railroad began preparations to hoist the three dead cars which tumbled down an embankment into the shallow waters of the Susquehanna River.

Another railroad spokesman said track was being repaired last week in the area of the derailment.

WORST SINCE '58

The wreck was the nation's worst rail disaster since Sept. 15, 1958, when 48 persons died in a train that plunged from an open drawbridge into Newark Bay at Bayonne, N.J.

The baseball special, carrying fans to a National League game in Philadelphia, left nearby Harrisburg — where all passengers boarded — at 5 p.m.

It was rolling along about 70 miles an hour, railroad officials said, when the derailment occurred next to the Bethlehem Steel Co. plant in this central Pennsylvania steel town.

65 AND 75 MPH

Engineer J. F. Shue of Royalton, Pa., told railroad officials he was doing between 65 and 70 miles per hour. Officials said the speed limit over the straight stretch is 75 mph.

Railroad officials said the stretch of track at Steelton was used by 40 or 50 trains a day. Just an hour before the derailment, officials said, a mail train passed over the same track.

After tumbling down an angled 40-foot embankment, two of the shattered cars of the nine-car coach train came to rest on their sides. A third car, its roof shredded, remained upright in about three feet of water.

The three cars that tumbled into the river were the last three cars of the train and were the only cars occupied. Two empty coaches also left the rails but remained upright. The two, along with three more up front, would have been filled by fans boarding the train at Lancaster and Coatesville.

The death toll might have been higher except that the broad stream is extremely low because of an 11-week drought.

MAY BE DEPUTY

Oliver F. Sanders, 68 W. Middle St., has posted his application to become a deputy sheriff in the prothonotary's office. The appointment will be made in 10 days if it follows normal procedure.

Guerrillas Seize Algiers In Bloodless Coup; Favor Regime Of Vice Premier

ALGIERS (AP)—Algerian guerrilla troops held Algiers today after a bloodless coup believed to favor dissident Vice Premier Ahmed Ben Bella's quest for power.

Several known opponents of Ben Bella were arrested. Among them was Amar Oussedik, political commissar of the Algiers autonomous zone, which the guerrilla leaders said was dissolved.

Premier Ben Youssef Ben Khedda and officials of his government were not molested.

Two thousand guerrillas of the Wilaya (Zone) No. 4 surrounding Algiers occupied the city at dawn Sunday. Their commander, 27-year-old Col. Si Hassan, said he hoped to form a junta of wilaya commanders to head the government until elections are held in the newly independent nation.

Elections for a constituent assembly are scheduled Aug. 12.

The guerrilla command announced it had taken control to re-establish national unity. It

Speed Limit Raised On Bypass Highway

The state highway department today was placing signs on the 2½-mile-long York Springs bypass of the Gettysburg-Harrisburg Rd. raising the speed limit on that section to 60 miles per hour.

Department officials said the new rate would go into effect "as soon as the signs are up."

Department officials added, "Traffic surveys conducted by the department for several months show that the majority of drivers on the particular section normally drive in excess of 50 miles per hour, the present top limit. Investigations show that the increased speed has not been responsible for any increase in accidents."

LOCAL GUARD BEST UNIT AT CAMP PICKETT

Adams County's Howitzer Company of the Pennsylvania National Guard returned home from two weeks of training at Camp Pickett, Va., with one of its largest collections of trophies and honors.

The unit under the command of Capt. Donald E. Doersom captured three trophies, won its highest score ever on its battery test, earned high praise from superior officers and test umpires and received 34 superior ratings of various types during the two-week period.

The county guardsmen won the coveted regimental commander's trophy as the best all around unit in the regiment.

It received a trophy for its safety record of no accidents during the two-week training period.

The trophy for the best individual instructor in the regiment was won by Specialist Guy Harner, Gettysburg.

SCORES 89 POINTS

The company made the exceptionally high score of 89 on its "battery test" and won high praise from test umpires and superior officers at the camp.

The 34 superior ratings in many training phases helped qualify the unit for the trophy as the best all-around unit in the regiment.

The guardsmen arrived at the Gettysburg armory about 11:40 a.m. Saturday and were immediately served their noon meal. Then they unloaded their vehicles and did necessary maintenance work before being dismissed about mid-afternoon.

Captain Doersom left the company at Unionville, Va., early Saturday morning and flew to Indianopolis Gap to be present for the commissioning ceremony at which Cpl. Calvin Manahan, Biglerville, in officer training for the last year, received his commission as a second lieutenant. Manahan will continue to be assigned to the Howitzer Company here.

TOUR FARMS ON THURSDAY

Adams County Farm Agent Frank S. Zettle has announced arrangements for a tour of three Adams County farms on Thursday "to see what good fertilizer, soil and farm management practices have meant to these farmers." All three are fertilizer demonstration farms set up five years ago.

The tour will start from the farm of Mr. and Mrs. Calvin Bream on the Carroll Tract Rd. between Fairfield and Orrtanna. The tour will begin there at 9:30 a.m. At that farm the visitors will see a mechanical steer feeding operation in addition to the field crop production practices.

The touring farmers will eat their basket lunches at the Recreation Park here and then go to the farm of Glenn Sterner and son, south of Gettysburg in Cumberland Twp. Zettle cites the Sterner farm as "a fine example of what can be done on a family size farm of less than 100 acres."

The forage program that supplies the Sterner dairy herd will get special attention on the tour. The last visit will be to the farm of Charles and Martha Klinger, south of Heidlersburg, where the results of "sound soil and fertilizer practices on poorly drained soil will be shown. The Klingers' model kitchen also will be shown.

The tour will be concluded by 3:30 p.m. according to plans.

The condition of Harold "Cinders" R. Wagner, 44, 221 S. Washington St., who was stricken with a brain hemorrhage Friday, remains serious today at the Warner Hospital.

Unionist Asks Payoff To End Strike Curbing Work On Subs

WASHINGTON (AP) — Sen. John L. McClellan, D-Ark., told the Senate today that a powerful unionist has demanded a payoff as the price for settlement of a strike holding up work on 11 nuclear submarines for the Navy.

McClellan voiced the allegations in appealing for permission for his Senate Investigations Subcommittee to launch hearings. Senators filibustering against the administration's communications satellite bill have invoked a rule barring committees from meeting while the Senate is in session.

McClellan asked unanimous consent for his committee to meet, but Sen. Wayne Morse, D-Ore., one of the leaders of the filibuster fight, refused to agree. Morse was cut off from an effort to explain his reasons for objecting.

In his Senate speech, McClellan did not name the man allegedly demanding a payoff as a price for allowing the settlement of the strike.

LOCAL GIRL IN TRAIN WRECK

A 19-year-old Gettysburg girl, now residing in Harrisburg, was among those injured in the train wreck at Steelton.

Miss Mary Brumbaugh, daughter of Mr. and Mrs. Max T. Leonard, 356 York St., a clerk-typist in the Department of Public Instruction, Harrisburg, was with a group that boarded the baseball special Saturday afternoon in Harrisburg bound for Philadelphia only to have their excursion end three minutes after leaving the station.

Miss Brumbaugh, a graduate of Gettysburg High School, suffered bruises of the right leg and a cut right knee. She was removed from a coach and treated at the Harrisburg Hospital. She then was brought here by her parents. She expects to be absent from work about a week.

Unable to tell exactly which car she was in, she does recall it was "not the last car in the train. The car seemed to roll about and passengers were hurled from seats against the side of the car," she said.

Four members of the local substation of the state police were summoned to Harrisburg to assist with the traffic problems resulting from the accident. They included Sgt. David James and Officers James Hydock, William Linker and Ronald Prough.

Mr. and Mrs. Jesse L. Clapsaddle, R. 6, were in Lock Haven, Pa., visiting friends Saturday and Sunday.

Man Is Pinned Under Tractor For Six Hours

UNION CITY, Pa. (AP) — A tractor tumbled over on an Erie County farmer cutting grass at his nearby home Saturday, pinning him on his face for six hours.

Elbert P. Obert was admitted to St. Memorial Hospital early Sunday morning suffering from a possible broken leg, internal injuries and shock.

Authorities said Obert was mowing grass on a slope in the evening when the tractor tumbled over. He called for help but no one came.

His wife said she heard him around 11 p.m. but thought he was doing chores. She went to bed. She awoke shortly before 2 a.m. and went searching for him.

She found him under the tractor and called neighbors. They lifted the tractor off Obert and rushed him to the hospital.

Aroused State Farmers Threaten Orchards Of Owners Seeding Clouds

HAGERSTOWN, Md. (AP)—The sky is black and ominous. Dirt farmers desperately need rain. Orchard owners fear hail will ruin their apples and peaches.

A multimillion dollar question: Do you seed the clouds, hoping to prevent a hail storm that would ruin orchards, or do you let nature take her course, hoping for rain for the farmers?

The problem is not theoretical. There are reports from the Mercersburg section of Pennsylvania that farmers have threatened to blow up irrigation ditches, poison wells and chop down trees of orchard owners who persist in cloud seeding.

WEDNESDAY MEETING

The farmers contend the cloud seeding diverts rain, causing a drought that is threatening their crops. The other side of the dilemma is that a series of hail storms has caused up to \$5 million damage this year in the Appalachian orchard area.

DAMAGES ARE \$2,100 IN FIVE CAR ACCIDENTS

One person was injured, damage totaled \$2,100, and nine cars were involved in five auto accidents investigated by state police from the local substation over the weekend.

Glenn Stonesifer, 18, Littlestown R. 1, was removed to the Warner Hospital in the Littlestown ambulance suffering from a laceration of the scalp and multiple contusions and abrasions of the body following an accident three miles west of Littlestown on Route 194 at 4:40 o'clock Saturday afternoon.

Stonesifer was a passenger in a car driven, according to police, by Ralph Wayne Rippeon, 19, Taneytown R. 1.

RAN OFF ROAD

Police said the Rippeon car ran off the road, came back onto the highway, then rolled over twice, going off the north side of the road against an embankment which turned it over onto its wheels once more. Damage to the car, which was demolished, was estimated at \$350.

Two drivers were arrested following an accident at 1:30 o'clock Saturday afternoon four miles south of here on the Emmitsburg Rd. State Police said a truck being driven north by George Kozak Jr., 30, Mellertown, an into the rear of a home-made trailer attached to a station wagon operated by Owen F. Tuck, Elmira, N. Y., when the station wagon halted for traffic ahead. Moments later, police said, a northbound sedan driven by Roy Martino, 31, Maple Shade, N. J., struck the rear of the Kozak truck. Damage was estimated at \$30 to the front and back of the truck, \$600 to the Martino car and \$10 to Tuck's trailer.

Police took Martino before Justice of the Peace John Whitman in Cumberland Twp. where he paid a fine and costs on a charge of driving too close, and then started homeward with his badly damaged car. A similar charge of driving too close was brought against Kozak before Justice Whitman and he will be sent a 10-day notice.

Gloom Hovers Over State In Sympathy For Wreck Victims

STELTON, Pa. (AP)—A pall hung over this central Pennsylvania town today.

It didn't stop here. It extended to Millerstown, Pa., and Connie Mack Stadium in Philadelphia and all over Pennsylvania.

A giant tragedy had struck this steel town and touched the hearts of thousands. A Pennsylvania Railroad baseball special carrying fans to a game in Philadelphia late Saturday derailed, tumbling three cars into the Susquehanna River. Nineteen persons were killed and 100 injured.

In Millerstown, a boy's bicycle painted blue was propped up on the front porch of a house. The boy, Nick Crissman, would never use it again. He was dead, a victim of the derailment.

WAS ADOPTED SON

Nick, 10, the adopted son of Edward and Ruth Crissman, had just begun to play Little League baseball this summer. His mother was taking him to his first major league baseball game. She also was killed along with her daughter, Rose, 16, and her sister, Mrs. Jane Lauer, of Mexico, Pa.

Today all that was left of the family was Edward, a machinist for the Pennsylvania Railroad at the Enola freight assembly yard, and another son, Kenneth, 20. Neither had gone to the game.

In Connie Mack Stadium Sunday a deep hush fell over some 8,500 fans during the Pittsburgh-Philadelphia game. Pete Byron, stadium public address announcer, asked the fans to rise and observe a moment of silence "in memory of those who perished in Saturday's tragic wreck."

CONTINUE EXCURSIONS

"The Phillies and the Pennsylvania Railroad," continued Byron, "join together in expressing their deepest sympathy to the families who have suffered this great loss."

Later, Frank Powell, director of sales for the Phillies, told a newsman that "we will still continue to operate excursions as in the past."

In churches throughout the area Sunday priests and ministers asked their flocks to pray for the dead and the recovery of the injured.

For those persons who were on the train and escaped death, the tragedy left a significant mark in their memories.

"A NIGHTMARE"

Thomas Hudson, 35, the Philadelphia Phillies' sales representative on the train, called it "a nightmare... the damndest sight... just a pile of humanity."

"I was one of the lucky ones," said George E. Fleming, 38, of Harrisburg, who was recuperating in Harrisburg Hospital.

Mrs. Olive Kagarise, of Altoona, thanked God she was able to move her husband, Clinton.

"The water started to get higher in the coach," she recalled. "It was coming through the doors and broken windows. My husband was on the floor. I helped pick him up. Thank God I was able to move him. He had a bang on his head and was dazed. We stayed there in the water until somebody broke the windows above and got us out."

"We waited on top of the car—and it seemed like it was forever. Actually, it was only a half hour. But it was the longest half-hour I've ever lived."

Continue Hearing Against J. Connors

Hearings on two charges of fraud against James A. Connors, Carlisle, were continued Saturday by Justice of the Peace Robert P. Snyder until August 6 at 8 p.m.

Connors was arrested on the two charges Tuesday and posted \$1,000 bail on each for his appearance Saturday.

The charges were variations of two other fraud charges brought against him earlier by Paul W. Wolf, York Springs, and Alfred L. Shull, Latimore Twp. The charges refer to sales of advertising space on a telephone book cover. At the time the present charges against Connors were laid, the other charges were dropped. KOHLER QUILTS PLUMBING CO. AFTER STRIKE

KOHLER, Wis. (AP)—Herbert V. Kohler, a 70-year-old industrialist who kept his plumbingware firm in production through six years of a long and bitter labor dispute, resigned Friday as president of the Kohler Co.

Kohler, who has been president of the family-owned firm since 1937, was elected chairman of the board at a meeting of directors. Named to succeed him as president was J. L. Kupiec, vice president and production manager, who has been with the firm since 1943.

The Kohler Co. was struck by the United Auto Workers Local 833 on April 5, 1954, when Kohler and other company officials refused to accept a union security clause asked by the UAW. The company resumed production shortly after the strike started, using nonunion employees.

The union called off the strike Aug. 26, 1960, after a National Labor Relations Board ruling that the firm had been guilty of unfair labor practices was upheld by the U.S. Supreme Court. Negotiations between the UAW and the company were resumed about a month ago.

Bargaining talks are continuing and some of the men who went on strike have been rehired.

Kohler's resignation came as a surprise. He was hospitalized briefly last spring, but the nature of his illness was not disclosed.

pouring out to the beaches as usual.

The only sign of the coup were soldiers in camouflage uniforms and machine guns set up in some streets in predominantly Moslem areas.

Officials of Ben Khedda's regime said the guerrilla coup "restored the status quo." They claimed Hassan acted to do away with "illegal power usurped by the autonomous zone since last April 2."

SCORE SQUABBLING

Privately, some of them admitted the guerrillas acted to show their anger with the political squabbling, which has created an administrative and economic vacuum in Algeria.

There was no evidence of any hostility between the Wilaya 4 guerrillas and the troops of the autonomous zone. The latter continued to guard some official buildings.

The Wilaya command also assured Europeans still in Algiers they could look to the future with "calm and hope." It said it fully approves the Evian peace accords guaranteeing the rights of European settlers in independent Algeria.

SOPHIA HOPES SHE WILL NOT GO TO PRISON

By BOB THOMAS

AP Movie-Television Writer

HOLLYWOOD (AP)—Sophia Loren was in town to collect her Oscar, plant her feet in the Grauman's Chinese cement and bask in the glory that Hollywood didn't quite give her before.

She made eight American films, but had to return to her native Italy to reach full stature as an actress. That she did with "Two Women."

The handsomely constructed Sophia paused during her whirlwind visit to kick off her shoes, plop on the sofa of her Beverly Hills Hotel suite and reflect on the Hollywood chapter of her life.

LANGUAGE PROBLEM

"It was difficult for me here," she admitted, "but that is not unusual. An Italian actress is limited in American films. The reverse is also true. What would Marilyn Monroe do if she went to work in Italy?"

She commented: "When you come to a new country, you have your own particular style and customs. It is difficult for a director to know them. The language is also a problem. When I first came here, I was so fascinated with how English sounded that I wasn't aware of what I was saying when I did my lines."

HELPED CAREER

Now, she added she can think in English when she speaks it. She even throws in English words when speaking Italian.

Only one of Sophia's American films—"Houseboat" with Cary Grant—was a big success. But working here was good for her, she said.

"And being in American films was important for me as far as world acceptance is concerned. Italian films are much more popular than they were, but they are still limited in their markets."

She added that she would be delighted to work here again. Meanwhile, she has problems at home, but she seemed unworried. She freely discussed the bigamy charge brought against her and husband, Carlo Ponti, whose divorce from his first wife is not recognized in Italy.

MOST ARE "FOR US"

"I have had a great outpouring of warmth from the people since this happened," she said. "I think they recognize this is not the case of a new actress trying to get ahead by marrying her producer."

She added: "The suit might have been different if it had been brought by Carlo's former wife. It wasn't. It was started by a woman we don't even know. Only eight people—important people in the courts and the government—are against us. Everyone else, including the press, is for us."

What will happen if she and her husband are convicted?

TO CONTINUE WORKING

"Then we will be considered bigamists, that's all," she shrugged.

But doesn't the charge carry a penalty?

"Yes, I think it is one to five years in jail. But it is never imposed. At least I hope it won't be."

Sophia said she would continue to work in Italy no matter what happens. Her legal residence is in Switzerland, where the air and the taxes are pleasant.

PRICE INCREASES

SOFIA, Bulgaria (AP)—Big price increases for basic foodstuffs went into effect today in Communist Bulgaria as an incentive to farmers to produce more.

SACK DESIGNER PLACES WOMEN IN NEW "TUBE"

By JEAN SPRAIN WILSON

Associated Press Fashion Writer

PARIS (AP)—Designer Yves Saint-Laurent, who once put women in sacks, put them in tubes today and an audience of celebrities loved it.

The tube, however, is nothing for a man to get panicky about. Although the protégé of the late Christian Dior called this the "glove" silhouette, it does not fit quite that closely. The slender elongated sheath does enhance the bust and subtly slides over the hips, hinting at the figure underneath. But it is the sparest of spare silhouettes this season. It appears to have guaranteed Saint-Laurent a second successful show since his army stint, a nervous breakdown, a legal battle with the Christian Dior House and a comeback last January.

OVERLOOKS CUSTOM

Seemingly to assure his success was Princess Lee Radziwill. Instead of wearing a Givenchy as is the custom of the princess and her sister, Jacqueline Kennedy while in France, the princess was in a two-piece wool suit made especially for her by Saint-Laurent and rumors were rampant that she would probably interest her trend-setting sister in his costumes.

Princess Radziwill sat with Viscountess Jacqueline de Ribes, one of the world's best-dressed women, and self-consciously fulfilled her role as a fashion reporter for McCall's, an American women's magazine.

As such, she had been turned away by her old couturier, Givenchy to wait until the official press show a month from now. That, said her friends, is the reason for the non-Givenchy attire today.

FRESH LOOK

If she does interest Mrs. Kennedy in the tube look of Saint-Laurent, neither the President of the United States nor the First Lady, nor all her faithful copyists will be sorry.

The look is fresh, extremely feminine, dramatic without being theatrical, often quite simple and always simply elegant.

His cavalier's suit has widened shoulders, a shapely bust and a simple but small back. A scarf panel animates a straight skirt.

Over those supple tubular dresses, models wore three-quarter coats without rounded shoulders and slender hips.

Shaggy leatherweight wools, often horseblanket plaid, were cut into slim sarcopts.

LOUISE DOWNGRADED

TOKYO (AP)—Tropical storm Louise, downgraded from a typhoon, perished after hitting mountain ranges in central Honshu Saturday.

Torrential rains and devastating winds pounded western Japan since Friday, however, have caused 11 deaths. Two others are reported missing and 16 injured.

Meanwhile, another tropical storm, dubbed Marge, was reported hovering in the west Pacific.

2 KILLED ON SCOOTER

CHAMPLAIN, N. Y. (AP)—Two airmen stationed at Plattsburgh Air Force Base were killed Sunday night when the motor scooter on which they were riding and a state police car collided on Route 9 near this Cinton County community.

Dead were A-3C Richard C. Bollen, 19, of Fort Plain, and A-3C Lewis White, 20, of Linwood, Pa.

Trooper Bruce E. Stiles was injured slightly, state police said.

Aroused State

Jerry Edwards, who manages his father's 600-acre orchard in the St. Thomas-Endeville area of Pennsylvania, withdrew from the Blue Ridge Weather Modification Association June 1.

"The storms were too big, there were more than one that hit in Franklin and Adams counties and I don't believe anything, including cloud seeding, could have prevented the hail Monday evening," Edwards said.

He said the hail ruined half his 200 acres of peaches, and 40 percent of 400 acres of apples.

Because other orchard owners also have withdrawn, there are indications there may not be enough growers to assure continuation of the service next summer.

Oxford in an accident Saturday. State police said Lacy E. Lester, 31, Gettysburg R. 4, was traveling east on Lincolnway West in New Oxford when he fell asleep and his car struck a parked auto owned by Martin L. Horn, 424 Lincolnway West, New Oxford, and pushed the parked car across the sidewalk into the porch of William H. Kling, 418 Lincolnway West, breaking three steps at the Kling home. Damage was estimated at \$150 to the Lester sedan, \$150 to Horn's auto and \$50 to the porch steps.

Damage was estimated at \$250 when two cars sideswiped 1½ miles west of Gettysburg on a legislative route at 3 o'clock Sunday afternoon. Police said damage to the car of Robert Lee Knight, 27, Onondaga, Fla., traveling west, was to the left front fender and bumper and was estimated at \$100. Damage to the east bound car of Jacob C. Lawver, 67, Biglerville, was to the left front fender and was estimated at \$150.

An accident occurred approximately five miles south of York Springs on the Hanover Rd. Sunday afternoon at 3 o'clock when one driver attempted to pass another and then had to cut back quickly into his own lane when another car approached him. Police said Albert LeRoy Wildasin, 33, 11 S. Peter St., New Oxford, was going south and sought to pass a car being operated by Roy Larry Hake, Mt. Wolf R. 1. When Wildasin sought to get his vehicle back into its own lane, the right front fender, bumper and wheel struck the left rear fender and door of the Hake vehicle. The right front tire and wheel of Wildasin's sedan was so badly damaged the car had to be towed from the scene, police said. Damage was estimated at \$250 to each vehicle.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

ONE HUNDRED YEARS AGO

An Apprentice Wanted: One of our young men in the office has "gone to the war," to aid in crushing the rebellion. There is a vacancy, therefore, in our ranks, which we desire filled. None need apply but those of correct moral principle and industrious habits. An early application is desired.

Pic-Nic: We are requested to mention that the new military company at Heidelsburg will hold a Pic-nic on the Banks of Conewago, near the bridge on the State Road, southwest of Heidelsburg, at 8 o'clock A. M. on Saturday week, August 9. The public generally are invited to attend.

Hon. E. McPherson has asked the favor of the Surgeon General to have the sick and wounded of our County soldiers removed to the York Hospital, so as to be near their friends. We have not a doubt his humane request will be acceded to, in all cases where removal can be made.

Robert H. Longwell, of this place, has been appointed a Medical Cadet. Cadets act as dressers of wounds, in hospitals and the field, serving for one year.

Our readers will be gratified to learn that the decline in the price of gold has been more rapid than was anticipated — Change is already easier, and small coin is making its appearance again. The banks have generally increased their deposits of specie, and the returns of the New York banks show that they hold, at the present time, over \$30,000,000 in coins. All this is tending to increase the public confidence in the banking institutions and in turn renders them more accommodating.

The Ladies of the Relief Association of Fairfield and Marsh Creek forwarded on Saturday last to the Sec'y, Miss Durkee, a large box, containing the following articles for the sick and wounded soldiers in the York Hospital: 50 sheets, 19 pairs of trousers, 19 dressing gowns, 4 linen coats, 30 pocket handkerchiefs, 20 pairs of stockings, 2 pairs of slippers, 20 fans, 25 pillows, 34 pillow cases, 4 sheets, 3 quilts, 4 towels, 10 soft pads, 2 bundles of lint, 12 bundles of bandages, 4 cotton bats, 8 bran bags, 5 glasses of jelly, a lot of soap, a large lot of testaments, papers, tracts, illustrated periodicals, etc.

SEVENTY-FIVE YEARS AGO

Stevens Hall: The corner stone of Stevens Hall will be laid on the afternoon of August 8, on which occasion the address will be delivered by Hon. M. Russell Thayer, of Philadelphia. Mr. Thayer is an eminent lawyer, an accomplished scholar and an eloquent speaker. He has recently closed a service in Congress of four years, in which he secured and maintained a high reputation.

A Liberal Law: It may not be generally known that a law was passed last winter providing that every honorably discharged soldier who is a resident of Pennsylvania, and who from wounds contracted while in the service of his country, is unable, on account of disability, to procure a livelihood by manual labor, shall have the right to hawk, peddle and vend any wares, by procuring a license for that purpose, which license shall be issued to him free of cost. To insure a soldier the benefit of the act, it is necessary that he procure a certificate from a surgeon of the United States Army, that he is unfit to make a living by manual labor, and a certificate from a prothonotary of any county in the State that he is the bona fide owner of the goods he sells.

Adams County Normal: The fall term of the Adams County Normal School will open August 19th and continue nine weeks. Tuition

Today's Talk

COURAGE OF YOUR DESIRE

Most of us have too much of the coward within us, too much fear of the world, or rather of those who make up the world.

To meet persons living their desires to the extent that it gives pleasure and happiness to them, as well as to others, is indeed a treat.

How many of the books of the world, and great masterpieces in art were conceived in poverty and discouragement — created and wrought by those whose courage meant more to them, secretly hidden within their desires, than anything else? I think of Millet painting with masterpieces for food that his family might be kept well and happy.

Posthumous glory is desired by few. Yet the story of achievement is brilliant with the names of those who gave little thought to their own comfort and happiness, beyond working out their desires as they bubbled from their hearts.

To do great work for the mere pleasure of having achieved it to satisfy one's immortal soul is no ordinary task, and it is never accomplished by ordinary men and women.

I can see no reason in the world why happiness cannot be pursued as a business in life. Surely it is the one thing most desired by all. Yet how thwarted we are from day to day — frightened by the ghosts of chance and impurity.

By the many false mirages of changeling minds and by natures out of tune with the smooth, unerring voice of beauty.

To do the thing that your heart dictates is rarely the thing that others expect and hope you will do. Ye from this course arise our geniuses and builders.

The goddess Fortune waves a mysterious wand. Few are able to smile and pass beyond its spell. But the nappy ones of this earth do just this and have no regrets. It's because their courage has become so evenly tempered — their judgment visioned into generations yet unborn.

Tomorrow Mr. Adams will talk on the subject: "The Waste Basket".

HIS WAY

He never let his care disturb his joy when it was time to play,
He never hid the morning sun behind the clouds of yesterday;
He never let the bad in men blind him to neighbors fine and good,
He did his share of grieving but he laughed as often as he could.

Because one man had played him false he didn't say all men are base,
He frowned on what he thought was wrong yet met the good with smiling face;
He didn't talk about the pains he'd had when he was feeling well,
Nor make of life a tragedy because he had some woes to tell.

He lived his life from day to day, met what he found without a whine,
Was grieved when grief was his to bear and happy when his skies were fine.
He fought when there were wrongs to right and toiled when there was work to do,
Yet made the most of what was good, and kept his troubles out of view.

Paul Garrison Wins His Fourth Crown

HERSHEY, Pa. (AP)—For the fourth time in eight years, Paul Garrison of the host Hershey Park Club has won the State Public Golf Championship.

Garrison shot a 74-74 over the final 36 holes Saturday to erase a three-stroke deficit and win with a 72-hole total of 293.

Earl C. Mumma of Harrisburg, the leader after 36 holes, faltered badly, shooting a 77-79 to finish with a 298. He had shot consecutive par 71's over the first 36 holes to cut medalist honors. His 298 was barely enough to finish second, Bob Hirsensen, the 1960 champion from Sinking Springs, pitched and putted his way to a 69 in the last round to finish at 299. His 69 was the best individual round of the tourney.

KROLL WINS \$30,000 GOLF CANADIAN OPEN

MONTREAL (AP)—It was six years between victories for veteran golfer Ted Kroll, and it took a 35-foot putt and a caddy with lots of friends to help end the long drought.

Kroll captured the \$30,000 Canadian Open with a blistering 32 on the back nine for a final round two-under-par 70 Sunday. That gave him a 72-hole total of 278, two strokes better than Charlie Sifford.

It was Kroll's first tournament victory since the Tam O'Shanter World championship at Chicago in 1956.

The 42-year-old Fort Lauderdale, Fla., veteran started the third round tied with Sifford, 39-year-old cigar-smoking Los Angeles pro who was five times U.S. Negro champion.

Kroll dropped three strokes to Sifford on the first nine. Kroll battled back to even with Sifford, who was playing in the threesome in front, by the 14th hole.

"Then on the 15th I hit a drive and a four iron, and my caddy told me Charlie had bogied the hole. So I thought I could sneak one in."

Kroll knocked in a 35-foot putt for a birdie and the two-stroke lead he carried in.

"I don't know how my caddy knew what Charlie was doing—he must be psychic," Kroll said.

Actually Kroll's caddy—Russell Witt, 17 — had friends shuttling back and forth to keep tabs on Sifford and run the results back to him. He fed the information to Kroll when he felt it was timely.

The victory was worth \$4,300 to Kroll. Sifford won \$3,000, for his 280 total. He finished with a 72.

Art Wall fired a final round 66, best of the tournament, to finish with 281 for \$2,000 third-place money.

Bruce Crampton of Australia closed with a 67 for 282 and fourth place. U.S. Open champion Jack Nicklaus and Bob Shave Jr., of Willoughby, Ohio, were tied at 284.

Dead Man At Train Controls

PHILADELPHIA (AP)—A freight train loaded with coke rumbled 19 blocks through the city Sunday with the engineer, Joseph Chaison, 52, of Riverton, N.J., dead at the controls.

He was the only person aboard the train traveling about 8 miles an hour.

Police said Chaison apparently died of a heart attack in the cab of the nine-car train. It was halted by yardmaster Joseph Bolton, who leaped aboard the engine.

Mackison Winner At Lincoln Oval

Johnny Mackison of York placed first in Saturday night's sportsmen-modified feature race at Lincoln Speedway, defeating Bobby Hersh in a tight battle before 7,800 persons.

Third place went to Gene Goodling, who was followed in order by Ralph Smith and Bobby Abel. Heat winners were Mackison and Ray Kable, and the consolation was won by Abel.

Junior Eckert of Harrisburg won the strictly stock feature, with Al Daniel Jr. second and Roger Weaver third. John Stone of Little Rock, Ark., topped a field of 20 to win the feature race for motorcycles.

CONLEY TIRED, HAS NOT QUIT RED SOX TEAM

FOXBORO, Mass. (AP)—Weary Gene Conley is sorry for his run-out on the Boston Red Sox, but he maintained: "I didn't say I'd quit. I hate the word."

The restless "loner" told Bob Holbrook of the Boston Globe at his trailer home Sunday night he planned nothing when he stepped off a team bus in New York last Thursday. The 6-foot-8 right hander had not been heard from until Sunday and is under indefinite suspension by the ball club.

Infielder Pumpsie Green, subsequently fined an estimated \$500, disappeared along with Conley but showed up in a Washington hotel Friday night.

CONLEY TIRED

"I'm tired, very tired," Conley said. "I'm not offering that as an excuse."

A professional athlete in basketball as well as baseball, Conley has averaged less than two weeks of relaxation per year since 1957.

Conley, in effect, said he was momentarily too exhausted to face the music.

"I will contact the Red Sox," Conley said, "but right now I don't feel like it. I'm too tired to go through this right now."

Until a meeting of Conley and Manager Mike Higgins, fines or further punitive action will be deferred.

"I'm sorry for Higgins," said Conley. "He has been with me all the way. He must be very disappointed in me."

COWBOYS EYE END OF LONG LOSING STREAK

ABILENE, Tex. (AP)—Just inside the door to the coaches' office at Hardin-Simmons University hangs this sign: "Winning isn't everything, but it sure beats coming in second."

Hardin-Simmons wouldn't know too much about that, since it hasn't managed to even come in second for more than two years. Not since Nov. 7, 1959, have the Cowboys won a football game.

Theirs has been a trail of woe—22 straight losses and the derisive shouts of both friend and enemy in their ears.

Hardin-Simmons, with a once-famous football heritage that includes national champion runners and passers, will enter the 1962 season with the nation's longest major college losing streak.

DOESN'T COME EASY

Losing doesn't come easy for Hardin-Simmons. Ask Sam Baugh and Howard McChesney, two former Cowboy head coaches who saw the team start its string of defeats. Baugh, the pro football great, produced some good teams at Hardin-Simmons during his five-year tenure. But he also was the head coach when the Cowboys started their losing streak.

McChesney, a former Cowboy all-around athlete and assistant coach, took over from Baugh and during his two-year stay in 1960-61, he watched the Cowboys lose all 20 of their games. He resigned after the 1961 campaign with a 0-20 record.

When will Hardin-Simmons return to its winning ways? Jack Thomas, the new head coach and athletic director, feels that this might be the year. Thomas and his staff had a good recruiting season in the junior college and transfer fields and indications are that the Cowboys will have a winning team before the 1962 season is completed.

Everybody hopes it can come with the fifth game. Then Hardin-Simmons would be unable to equal the record of those all-time losers — Kansas State, which dropped 28 straight in 1945-46, and Virginia, which tied it in 1958-60.

95 Schools Seek Big Grid Player

HERSHEY, Pa. (AP)—Without a doubt, Big 33er Bill Malinchak has to go down on the books as one of the most sought-after high school football stars in Pennsylvania's history.

To date, the tall, rangy end from Monessen—a thriving steel town in southwestern Pennsylvania—has received offers from 95 colleges including Penn State, Notre Dame, Southern Methodist and all the Big 10 schools.

His choice? Right now it looks like Penn State, but he's not saying for certain just yet.

"I'll probably end up going there, but all those offers look pretty good," he laughed Sunday following a grueling, hour-long workout with the Big 33 West squad.

East will meet West in the Big 33 contest next Saturday night at the Hershey Stadium. Malinchak will be one of the West's starters.

DODGERS BEAT GIANTS AGAIN; PHILS DIVIDE

By JIM HACKLEMAN
Associated Press Sports Writer

Are the Los Angeles Dodgers primed to make a shambles of an old National League tradition—the down-to-the-wire pennant chase? Fired again by the hitting of massive Frank Howard and behind another superlative pitching performance of whip-armed right-hander Don Drysdale, the Dodgers completed a three-game sweep over the San Francisco Giants Sunday, crushing their closest pursuers 11-1.

The romp increased the Dodgers' lead to four games—a whopping margin in a National League race at this stage of the season and the biggest edge the Dodgers have had in a pennant derby since their runaway year of 1953.

REDS SWEEP BRAVES

Elsewhere Frank Robinson's key hitting led Cincinnati to a sweep over Milwaukee, 8-6 and 2-1, that carried the Reds into third place—but still 8½ games behind the Dodgers.

Philadelphia dealt Pittsburgh its eighth loss in nine games, 8-1, dropping the Pirates to fourth. St. Louis clipped New York twice, 6-5 and 5-1, and Chicago split with Houston, the Cubs winning the first game 4-2 and the Colts taking the second 3-1.

The Dodgers, who've won 14 of 18 since regaining the lead three weeks ago, got off winning in the romp that gave them an 8-3 season mark against the Giants.

RALLY IN FIRST

They sent 11 men to the plate in the first inning, rapping out seven hits, scoring six runs and knocking out southpaw Billy O'Dell in the process. Howard delivered the first two runs with a single, then singled in another in the second, banged his 20th homer in the seventh, and had another RBI single in the eighth.

Drysdale, 19-4, struck out five and again exhibited masterful control by not issuing a walk, making it 37 consecutive innings without allowing a base on balls. Robinson smacked a pair of two-run homers in Cincinnati's opening game victory.

HURLS 5-HITTER

Joey Jay, 15-9, pitched a five-hitter in the second game and blanked Milwaukee until the eighth, when Tommie Aaron singled in the tying run after an intentional walk to his older brother Hank. It became untied in the last of the ninth on Robinson's second double and Marty Keough's single—and the Reds had won for the 12th time in their last 13 starts.

Hank Aaron also hit two homers in the opener, boosting his season total to 29. Cal McLish threw a five-hitter and Tony Gonzalez led the offense as the Phils mauled the floundering Pirates.

The Cardinals had their hands full against the last-place Mets before taking both games with late inning flurries.

The Cubs won their fourth straight in their opener, but the Houston Colts pulled out the second game with two unearned runs in the eighth inning.

Big Little Baseball Loop

Phillips 66 took a firmer grip on second place by topping the Kiwanis 7-3 Saturday evening in making up a postponed game.

Phillips tallied twice in the second inning. Garry Herring opened with a single and stole second base. Larry Riley sacrificed Herring to third and Jim Rosensteel singled to send Herring home. Rosensteel stole second and scored on Phil Asper's single to right center. Phillips added four more in the third.

The Kiwanis packed all of their scoring into the fourth inning. John Heiser singled and stole second base. Johnny Eyerler was safe on an error as Heiser reached third. After Eyerler stole second, Eddie Toddes singled home Heiser. Tom Heiflin sacrificed Eyerler home. Craig Smith reached base on an error as Toddes ran home with the third run.

Gettysburg ran its winning streak to nine straight by defeating McSherrystown here Sunday afternoon 10-7. The triumph was the 11th in the last 12 games for Manager Skip Fisel's outfit.

Larry Eckert, local hurler, won his fifth game without a loss but needed help in the ninth from Bob Hinds who struck out the side.

With the score tied 5-5 going into the bottom of the seventh, Gettysburg tallied five runs after two were out. Tom Shields lined a single to right to open the inning. After two batters walked, Vance Johnston singled home a pair of runs. Three walks and an error produced three more runs.

WIN ON HOMER

League-leading New Oxford needed a two-run homer by Lefty Miller in the top of the ninth to edge Arendtsville 6-5 on the latter's field before a big crowd. G. Billman homered for New Oxford in the fifth while Dick Pitzer pounded a circuit blow for Arendtsville with a mate on board to give his team a short-lived 5-4 advantage. Johnny King and Whitey Billman each rapped a trio of hits for the winners while Donnie Cold-smith smacked a single and double for the losers. Coldsmith fanned no less than 16 batsmen but was tagged for 11 hits.

Cashtown continued its fast clip in recording its fourth straight victory by winning at Fairfield 4-1 to move into 10th place. The winners collected 12 hits, including three by Richardson, one of which was a triple. Solomon limited Fairfield to four hits, two of which were by Reese.

Second-place Littletown had to go all out to nip the last-place Harney outfit 6-5 on the latter's field. R. Bankert led the Littletown 10-hit attack with three singles. G. Crouse poled two of Harney's five hits.

The Mummasburg-Brushtown game scheduled for Brushtown was postponed due to preparations on the field for the carnival to be held this week.

The Pirates moved back into sole possession of first place by thumping the Giants 14-8 Saturday afternoon in a make-up game.

After building a slim 9-8 lead, the Pirates came up with five tallies in the bottom of the fifth inning to put the game on ice. The climax of the big rally was a grand-slam home run over the left-centerfield fence by Pirate hurler Steve Weikert. A leadoff double by John Dick, a walk and Steve Fite's single set the stage for Weikert's blast. Steve Fite's uncorred a solo homer to lead off the third frame and start a six-run rally.

The Giants got off to an excellent start by scoring four times in the first on two walks and doubles by Terry Sites and Rodney Naugle. They added four more in the third but were unable to cross the plate the remainder of the game.

JFK BACKER, HOUSE WHIP, WINS EASILY

By CARL P. LEUBSDORF
NEW ORLEANS (AP) — The Kennedy administration received a political boost in the Deep South when Louisiana Democrats re-nominated one of the President's most loyal backers and defeated a rash of strongly conservative candidates.

The more conservative candidates were beaten in every key race in Saturday's Democratic primary.

Kennedy backers were pleased most by the resounding triumph scored in the 2nd District by Rep. Hale Boggs, House Democratic whip.

Boggs was marked for political extinction by conservatives after he supported Kennedy's successful campaign last year to increase the size of the House Rules Committee. But he easily defeated three opponents, piling up 64 percent of the vote in a district which includes uptown New Orleans and four outlying parishes (counties).

15 NEGROES VOTE

Another aspect pleasing to Washington was that 25 East Carroll Parish Negroes became the first of their race to vote in that northeast Louisiana area since at least 1922.

STATE TO GET NEW FACILITIES

HYANNIS PORT, Mass. (AP) — President Kennedy has signed legislation authorizing \$1,455,672,000 in new military construction. Seven projects are in Pennsylvania, costing, \$3,438,000.

The measure cleared Congress since at least 1922.

Sen. Russell Long, Louisiana's junior senator, won re-nomination to his third full six-year term by a 4-to-1 margin over Phil St. Amant, a retired Army lieutenant colonel. St. Amant, an all-out conservative, called the Long's voting record "socialistic."

The senator's cousin, Gillis Long, 39, won the 8th District House seat from Rep. Harold McSwain, 36, a conservative who has generally opposed the administration.

Long was making his first bid for elective office in the political heartland of his famous family. Boggs and both Longs will have GOP opposition in the Nov. 6 general election.

Boggs will go against another all-out conservative, David Treen. Treen joined the Republican party this year after resigning as head of the Louisiana States Rights Party, which backed a slate of unpledged electors in the 1960 presidential election.

Sen. Long faces Taylor W. O'Hearn of Shreveport, a political newcomer, while Gillis Long meets Mrs. Dorothy Lewis, wife of Alexandria's postmaster.

LIST INJURED IN WRECK OF PENNSY TRAIN

HARRISBURG (AP) — Here are the names of injured in the derailment of a Pennsylvania Railroad train in nearby Steelton, Saturday.

At Polyclinic Hospital:
Mrs. Norma Ostot, 20, Mechanicsburg R. 3, condition fair.
Edward Ostot, 23, Norma's husband, discharged today.
Mrs. Evelyn Zeider, 58, Harrisburg, fair.

July 16 as a compromise between amounts authorized by the House and Senate.

The projects, subject to later appropriation include these in Pennsylvania:

Army: Carlisle Barracks, community facilities, \$490,000; Letterkenny Ordnance Depot, administrative facilities, \$411,000.

Navy: Naval Air Development Center, Johnstown, troop housing, \$585,000; Naval Air Material Center, Philadelphia, administrative facilities, \$482,000; Navy Regional Accounts Office, Philadelphia, administrative facilities, \$250,000; Naval Hospital, Philadelphia, utilities, \$190,000 and Military Industrial Supply Agency, Philadelphia, administrative facilities, \$1,020,000.

Safer And Wiser To Wear Bowlers

LONDON (AP) — Britons were advised today it's safer as well as smarter to wear a bowler hat.

A Home Office pathologist, Dr. Francis Camps, said it also could save a man's life in a traffic accident.

Camps spoke to a road safety conference. He showed photographs illustrating that pedestrians frequently hit their heads on the ground when knocked down by a car.

The hard brim and crown of a bowler would help lessen their injuries, he suggested, "filling the same role as a crash helmet for motorcyclists."

Town Of 12,000 Is Without Water

EDWARDSVILLE, Ill. (AP) — Edwardsville residents carried water in buckets, cans and pitchers to their homes from distribution points Sunday before water service was restored to 3,250 homes.

The community of 12,000 persons was without running water from 7:30 p.m. Saturday until Sunday night, and then taps issued only trickles. The Water Department said normal pressure should be restored by noon today.

A break in the 12-inch main line was discovered Saturday morning and the pumps shut down. The city's 330,000-gallon reserve lasted until Saturday night.

The break apparently occurred while crews were cleaning the line with mechanical equipment.

Mr. Slonaker requests that someone please answer these questions for our school children.

I am glad to hear that someone is conscious of the fact that our school children are not being told the whole truth.

In referring to the letter that the supervisor wrote to Judge Sheely of which resulted in the proposed contempt situation, it would appear from the newspaper account that the supervisor had some information of importance concerning the case, of which he should have told while he was on the witness stand. Or was he deprived of his right to tell the "whole truth"? Was he not given an oath to tell the whole truth just before he took the witness stand?

What is the reason for omitting part of the facts in our court? I have proof that this is so. Who is responsible? And why is it did? As to our freedom and rights under the Constitution of the United States. Do "all" American citizens have "equal" protection under the Constitution?

Have laws been made which have swept away most of our freedom and protection under the Constitution? If so, what could be the purpose of designing a law that deprives a citizen of any rights whatsoever? Has the public been told that laws like this exist? Do our public officials condemn communism?

In what way does democracy in its present form differ from communism?

These questions and many others require volumes in answer, therefore it is not possible to do justice to Mr. Slonaker's questions through the medium of a letter to the editor. However, since I see no reason why the management of The Gettysburg Times should not be interested in the public welfare I will be pleased to write some startling information in answer to these questions, to be published in installments in The Gettysburg Times.

Very truly yours,
ALTON W. SNYDER

APOLOGIZES FOR "ERROR"

STOCKHOLM, Sweden (AP) — Ex-President Dwight D. Eisenhower apologized to the Swedes for saying two years ago that socialism in Sweden had resulted in a soaring suicide rate, an increase in drunkenness and a lack of ambition.

Eisenhower told a welcoming crowd of 2,000 at the Stockholm railway station he was wrong — "I admit it, and I apologize for my error."

The crowd cheered.

Eisenhower said his remark, made in Chicago to a Republican breakfast, had been based on what he had read in an American magazine.

"Since then," he said, "I have had many friends who have returned from Sweden and who have told me that I was wrong."

The former president, his wife and two grandchildren are touring western Europe.

Locomotive and a two-car passenger train just outside this southern city.

Authorities said 17 passengers were injured.

The wreck was the fifth fatal accident on Italian railroads in scarcely more than seven months. A total of 153 persons were killed in the five accidents. More than a dozen lesser mishaps also have occurred.

STEELERS CUT SEVEN ROCKIES

WEST LIBERTY, W. Va. (AP) — The Pittsburgh Steelers get down to business today with almost the entire squad in training at West Liberty State College.

All but three veterans reported to camp over the weekend, joining 17 rookies who survived cuts after a week of workouts.

Tackle Charlie Bradshaw, line-backer Mike Henry and guard Ray Lemek failed to appear Saturday or Sunday. Bradshaw was completing a term of reserve duty with the Army. The whereabouts of the others were unknown.

Coach Buddy Parker chopper seven rookies off the National Football League team's roster Saturday, including Nat Tucker of Florida A & M, the Steelers' 17th draft choice last winter. The others were center Andy Kuznesk of Pitt, guard Bob Alford of Ken State, ends Charley Moore of Tennessee A & M and Charlie Stiggers of North Carolina A & M tackle Jake Shaffer of North Carolina and line-backer John Bosley of West Virginia.

Six rookies were singled out for praise by Parker — halfbacks Gary Ballman of Michigan State, Jack Collins of Texas, and Bernie Wyatt of Iowa, ends John Powers of Notre Dame and Bob Willis of UCLA and guard George Williams of Notre Dame.

Letter To The Editor
Fairfield R. 2, Pa.

The Editor
The Gettysburg Times
Gettysburg, Pa.

Dear Sir:

I noticed in July 17 issue of The Gettysburg Times under the heading "Letters To The Editor" a letter dated July 13, 1962, written by Mr. Charles H. Slonaker. In his letter Mr. Slonaker is referring to a township supervisor who was "sited" for contempt of court because of a letter written to Judge Sheely.

Mr. Slonaker wants to know why a letter of criticism can be written to the President of the United States without being sited for a contempt of court, but not to a county judge.

Mr. Slonaker also says: "Where is our freedom that is taught in our public schools and so freely mentioned by our public officials?" "What is Democracy?"

MT. CLIMBER LOSES LIFE IN A SNOW STORM

GRAND TETON NATIONAL PARK, Wyo. (AP) — Storm-battered mountain climbers from four Eastern states made ready today to descend from Grand Teton Peak on which one of their comrades perished.

Stephen Smith, 21, of Holden, Mass., died of exposure when a snowstorm hit the group of 10 climbers near the top of the 13,766-foot peak in northwestern Wyoming.

Park Rangers found Smith's body Sunday.

Two other climbers, John Fenniman of West Hartford, Conn., and Lester Germer of Millington, N.J., were flown off the peak by helicopter. They were taken to a hospital at Jackson for treatment of exposure and frostbite.

STARTED THURSDAY

The other seven climbers remained overnight at a campsite above Garpet Canyon before starting the final descent of 1,000 feet to waiting horses.

The easterners began their climb Thursday. That same day, a howling storm struck the upper slopes. Smith was one of three climbers who left the group in an attempt to find a way out of the storm.

Dr. John R. Walker of St. John's Hospital at Jackson said the three "tried to make it out Friday, but couldn't."

Dr. Walker said the men flown from the peak seemed in reasonably good condition.

The climbers all are members of the Appalachian Mountain Club which has 70 members in Wyoming for its annual camp.
